How to Win Against Them

- Emphasize our agility and faster implementation times
- Highlight total cost of ownership vs enterprise overhead
- Stress our focus and dedication as a private company
- Note their obligation to shareholders may impact customer service
- Compare our predictable pricing model vs variable costs
- Focus on our integration depth with their specific EHR
- Offer a pilot or proof of concept to demonstrate value

Handling Common Objections

Q: Why shouldn't we go with Phreesia?
A: While Phreesia is a strong player, our solution offers [specific advantage] that better aligns with your needs.

Q: Phreesia has more customers than you.
A: Size isn't everything. Our focused approach means you get dedicated attention and faster innovation.

Q: Phreesia is publicly traded, so they're more stable.
A: Public companies face quarterly pressures. We're built for long-term customer success.
